

INSTITUTE OF ACCOUNTANCY ARUSHA

NOTICE TO ALL STUDENTS

On its 160th meeting of the Academic Board held on 11.09.2017 at Tembo Computer Laboratory, IAA main campus, it was decided that Supplementary Examinations dates be forwarded to 25.09.2017.

The decision by the Academic Board was based on the fact that semester II and IV examination results were released on 06.09.2017 and that students need enough time to prepare themselves.

Academic Board expects students to start early preparations for the coming supplementary exams.

Wishing you Best of luck.
